

Wilbarger County Proposed Salary Increases

Wilbarger County Commissioners Court is proposing the following base salary pay increases for elected officials for fiscal 2009-2010: A three percent (3%) base salary increase for all elected officials except the District Judge and District Attorney. The Sheriff, Constable #1, and Constable #2 will receive a total base salary raise of \$1,200. The District Clerk's Law Library supplement will increase by \$300 per year.

In addition, Wilbarger County will make longevity adjustments to all employees, including elected officials as provided for in the county policy manual: \$65 per year for each year of service and \$1,300 per year after each five years of service. This notice is being provided per Local Government Code Section 152.013(b).
